About

Introduction:

Hello there! I'm **Laksh Sharma**, a passionate Computer Science and Engineering student with a flair for problem-solving and a love for technology. Currently pursuing my BTech-CSE in JIIT Noida, I am on a journey to explore the vast realms of computer science and its applications.

Education:

University/College: Jaypee Institute of Information Technology

Degree: Btech-CSE(major)

Expected Graduation : July 2026

Skills Snapshot:

Programming Languages: Python, C, C++, Java

Web Development: Front-end and Back-end Technologies

Database Management: Databases and SQL

Machine Learning and AI: Basic Understanding

Tools and Technologies: Version Control, Testing Tools, etc.

Internships and Work Experience:

Intern, at CodSoft (Dec2023 – Jan2023)

- Web Development Goals

Hobbies and Interests:

Apart from coding, I enjoy reading books, playing and watching cricket and badminton. Whether it's exploring new programming languages, contributing to open-source projects, or diving into the latest tech trends, I'm always up for a challenge.

I'm always open to connecting with fellow tech enthusiasts, students, and professionals. If you share a passion for technology, don't hesitate to reach out. Let's connect and build something amazing together!
